Message from Board of Directors

Lavanya & Ramya — Directors, Trio Tech Integrated Solutions

"Incorporated in 2021, Trio Tech was established to facilitate effective communication and seamless collaboration between corporate teams, government departments, and regulatory authorities. We serve as a dependable operational bridge, connecting vision with compliant execution. Today, we support major industrial, hospitality, and manufacturing sectors across Andhra Pradesh and beyond, ensuring smooth operations, risk mitigation, and efficient decision-making."

Siva Velugu

Chief Executive Director | *Trio Techies Solutions Pvt. Ltd.*

Location: Tirupati, Andhra Pradesh

Executive Summary

Siva Velugu is an accomplished leader and Chief Executive director at **Trio Techies Solutions Pvt. Ltd.**, bringing over 15 years of versatile experience spanning corporate technology leadership and large-scale industrial government liaisoning. Born and raised in Tirupati, Siva completed his Bachelor of Technology in Electronics and Communication Engineering (B.Tech - ECE) before building a distinguished decade-long career in the software industry.

Prior to joining Trio Techies Solutions in 2021, he held key software engineering and consulting roles across major global IT organizations, including **HCL, Cognizant, Accenture, and Wipro**. Levering this corporate governance framework, structured project management, and analytical rigor, Siva now leads strategic government affairs, regulatory compliances, and end-to-end project execution for over **28+ major corporate and industrial clients across Andhra Pradesh**.

Core Expertise & Operational Portfolio

Siva manages dedicated, multi-departmental field teams to ensure all statutory approvals, site inspections, and regulatory clearances are delivered strictly within stipulated project timelines.

• Detailed Project Reports (DPR) & Strategic Planning:

- End-to-end DPR formulation based on comprehensive field studies, feasibility analysis, and client inputs.
- Specialized alignment and review management for direct approval through the **Andhra Pradesh Tourism Department**.

• Statutory & Building Clearances:

- Master Plan Approvals and Building Permissions.
- **Fire Services:** Provisional Fire NOCs, Site Inspection Clearances, and Occupancy Certificates .
- **Municipal & Trade Licensing:** Trade Licenses, Labor Department Registrations, and BOCW (Building and Other Construction Workers) Licenses .

• Environmental & Safety Management:

- **Pollution Control Board (APPCB):** Consent to Establish (CTE) and Consent to Operate (CTO) .
- Environmental Management Plans (EMP) along with Ambient Air, Noise, and Water Quality Testing Compliance.

• Power & Utility Infrastructure Liaisoning:

- End-to-end execution with DISCOMs/APEPDCL/APSPDCL for **LT (Low Tension)** connections for construction phases.
- Complete liaisoning for **HT (High Tension)** power lines, load approvals, and transformer

04. WHY PARTNER WITH TRIO TECH?

Value Proposition

Single-Window Access

Eliminate dealing with multiple agencies; we coordinate all 28+ licenses under one roof.

Time & Cost Savings

Faster DPR approvals and clearance turnaround keep project timeline and budgets intact.

Regulatory Risk Mitigation

Full compliance with AP state policies prevents penalties, stoppage notices, or operational delays.
